

Computer Foundations for OT Professionals

Basic & Advanced

This 2-day class will work in a learn at your own pace fashion with a menu of options to learn about each day. Each learning target will have a lab associated. Exploration and self-learning will be promoted in this class with an instructor there to be able to answer questions. Class does not have to be limited solely to these topics but is focused on foundations of computer use and software within the OT space. All questions are welcome.

Requirements for Attendees:

- Have a valid Rockwell login
- Valid email associated with Rockwell
- Must be setup before the class
- A portable laptop if you have one

NOTE: If you don't have a laptop, SMC will provide one

**Tuesday, August 11 -
Wednesday, August 12**

8 AM - 4 PM

**SMC Springfield
585 N. Washington
Springfield, MO**

Cost:

Day One - Basic: \$700

Day Two - Advanced: \$300

*both days \$1,000

Includes Lunch

**Authorized
Service Provider**

A ROCKWELL AUTOMATION PARTNER
